Anytime. Anywhere.

The Daily Restroom Kit contains restroom supplies for one person for one day. Each kit contains (1) BR500 and (2) BR608 bags and are designed for both men and women. Bags are safe for landfill disposal in all 50 states.

A safe, odor-neutralizing blend of polymers and enzymes gels solid and liquid waste, and our bags are engineered to prevent spills and leakage. Included in the Daily Restroom Kit:

BR500: Triple barrier bag and liner for liquid and solid waste. Includes toilet paper and antimicrobial wipe.

BR608: Liquid waste bag with convenient hold tab and one-way valve to prevent spills.

KEY PRODUCT FEATURES

- Locking bag guards against spills or leaks and transmission of bacteria
- Designed for ease of use by both men and women
- Large antimicrobial wipe included for safe and sanitary use
- Wide collar and unique fold-out locking handle (BR608)
- Our special blend of polymers and enzymes deodorizes and transforms waste into gel
- 3mm-thick plastic bag for sturdiness and prevention of bacterial transmission
- Snap lock closure assures a strong outer seal to guard against spills or leaks
- Small enough to fit in your pocket or glovebox (BR608)
- Trash container safe, meets state and provincial disposal requirements
- Convenient and easy to use
- Effective temperature range -40°C to 40°C (-40°F to 104°F)
- Meets or exceeds ASTM D-1709-98 impact resistance test
