

The Field Lavatory System is a complete portable, sanitation system for work crews on the move. It's lightweight, easy to handle and can be set up in minutes. The Field Lavatory System comes in a variety of combinations and includes either our Brief Relief Daily Restroom or Disposa-John Kits.

The Field Lavatory System Includes:

Privacy Shelter: A pop-up tent that is quick and easy to set up and fits into a small carrying bag.

The Commode: A sturdy, lightweight container with screw down lid and full size foam toilet seat.

Daily Restroom Kits, which includes:

Disposa-John Kits: An odor barrier disposable solid and liquid waste bag with zip locking channel.

Disposable Urinal Bags: A urinal bag with enzymes that transforms urine into a deodorized gel.
