

BRIEFCASE COMMODE

INNOVATIVE & ENVIRONMENTALLY FRIENDLY

Thoughtfully engineered, safe, sturdy, and convenient:
The Briefcase Commode portable toilet.

The Briefcase Commode is a compact toilet weighing just 7 pounds. It provides the comfort, height and ease of use of a standard toilet, supports up to 500 pounds, and is stable on uneven surfaces. When you are done, it folds closed to a standard briefcase size. No mixing, messy chemical waste storage tanks or dump stations required. No assembly required.

BENEFITS:

- Easy to use. No assembly required, sets up in seconds.
- Can be used with Brief Relief waste bags.
- Perfect for offsite employees including repair and service technicians.
- Built-in handle for easy carrying.
- Just like using a standard toilet. Same height and size.
- Folds into briefcase size with dimensions of 19" x 14" x 5".
- Compact & easy to store in your truck.
- Supports up to 500 lbs.
- Can be used with Brief Relief Privacy Shelter for additional privacy.
