

SOLID WASTE BAG

The Disposa-John Portable Restroom contains everything needed to safely dispose of solid human waste. Our patented “bag-in-bag” designs and puncture-resistant zip closure securely contains the waste and the odor, while our special blend of polymers and catalysts instantly begins to break down the waste and convert it into a deodorized gel within seconds.

Disposa-John bags are designed to work in conjunction with our Commode and are also sold as part of our Field Lavatory Packs.

CALCULATE YOUR SAVINGS NOW!

The Brief Relief Savings Calculator assists your organization in saving time, money, and increases your employee’s productivity in the field. Fill out the calculator with the QR code below and a savings quote will be emailed to you directly.
