

### DISPOSABLE URINAL BAG

The Brief Relief Disposable Urinal Bag provides a safe and convenient alternative when nature calls. Our proprietary blend of naturally occurring non-toxic polymers and catalysts instantly transforms urine into a deodorized gel. The funnel design and one-way valve prevents accidental spills.

Designed with military standards in mind, Brief Relief comes complete with a high-quality antimicrobial wipe for clean up after use.

### CALCULATE YOUR SAVINGS NOW!

The Brief Relief Savings Calculator assists your organization in saving time, money, and increases your employee's productivity in the field. Fill out the calculator with the QR code below and a savings quote will be emailed to you directly.
